

PRAJWAL T N

Full Stack Developer

SUMMARY

Motivated BCA student with strong academic experience in full-stack development and cybersecurity through projects such as FinPulse Blockchain-Based Financial Forecasting and Risk Detection System and AI Cryptocurrency Prediction System Using Blockchain. Proficient in Python, React.js, Flask, MySQL, and REST APIs, with experience developing AI-powered web applications, secure APIs, and automation tools. Passionate about building secure, scalable software and continuously learning new technologies. Seeking an entry-level Software Developer or Full Stack Developer role to apply technical skills and contribute to innovative projects.

EXPERIENCE

Cybersecurity Intern

TechnoHacks | 01/03/2026 - 30/03/2026

- Performed network scanning using Nmap.
- Analyzed network packets using Wireshark.
- Identified open ports and security vulnerabilities.
- Created reports based on network analysis.

Full Stack Developer (Academic Projects)

FinPulse Blockchain-Based Financial Forecasting and Risk Detection System

- Developed a secure financial analytics platform using blockchain concepts for data integrity.
- Built AI-powered forecasting and risk detection modules to analyze financial trends.
- Developed a responsive full-stack web application using Python, React.js, Flask, and MySQL.
- Implemented secure data processing, visualization dashboards, and REST APIs.

AI Cryptocurrency Prediction System Using Blockchain

Academic Project

- Developed an AI-based cryptocurrency price prediction system using machine learning models.
- Integrated blockchain concepts to improve data security and transparency.
- Built the frontend with React.js and the backend with Flask.
- Implemented real-time data processing and prediction visualization.

EDUCATION

06/2023 - 06/2026

Sree Siddaganga College of Arts, Science and Commerce

Bachelor of Computer Applications (BCA)

B.H. Road, Tumakuru, Karnataka - 572102. Completed Bachelor of Computer Applications (BCA) with a focus on Software Development, Cybersecurity, Programming, Database Management, and Computer Networks. Graduated with a CGPA of 8.08/10 (First Class Exemplary).

01/2019 - 01/2021

Sri Vidyodaya PU College

Pre-University Course (PUC) Commerce

Opp. Government Hospital, Caltex Circle, Law College Road, Gandhi Nagar, Tumakuru, Karnataka 572102. Completed PUC (Commerce) with 65.5%, studied Accountancy, Business Studies, Economics, and Statistics.

07/2016 - 01/2019

Aryan High School

Secondary School Leaving Certificate (SSLC)

Opp. District Hospital, Caltex Circle, Mandipet, Tumakuru - 572102. Completed SSLC with 57.92% under Karnataka State Board.

DETAILS

Phone number: +91 7019556476
Email address: ppraju126ghu@gmail.com
Address: Garden Road Maruthi Circle, 572101, Tumkur, Karnataka,
India

TECHNICAL SKILLS

Languages:	Python, JavaScript, C
Frontend:	HTML5, CSS3, React.js
Backend:	Flask, REST API
Database:	MySQL, MongoDB
Tools:	Git, GitHub, VS Code, Postman
Cybersecurity:	Kali Linux, Nmap, Wireshark

ACHIEVEMENTS

- Developed 2+ full-stack projects.
- Solved coding problems.
- Participated in hackathons or technical events.

SOFT SKILLS

- Problem Solving
- Teamwork
- Communication
- Quick Learner
- Time Management
